

# BOOST TV

Compact TV Speaker

## Compact size with JBL signature sound, designed for all of your screens.

JBL Boost TV is an ultra-compact TV speaker that instantly improves your TV audio experience with JBL signature sound. At only 15" long (380mm), JBL Boost TV delivers knockout sound quality for your bedroom or home theater TV. Elevate your television sound experience with JBL Boost TV's deep bass, virtual surround sound and Dolby® Digital for HD movies. Stream Bluetooth audio from your wireless mobile device. Go from unboxing to sitting back on the couch right away with a simple analog or digital (optical) one-cable connection to your television. Amp up the volume with JBL Boost TV's remote control or use your own TV remote control. JBL SoundShift™ technology works with your TV and wireless mobile device at the same time to allow you to automatically switch between the sound from your TV and the sound from your phone or tablet. JBL Connect technology wirelessly links multiple JBL Connect enabled speakers together.

## Features

- ▶ Optical Digital Audio with Dolby® Digital
- ▶ JBL SoundShift™
- ▶ Harman Display Surround
- ▶ Wireless Bluetooth Streaming
- ▶ JBL Connect
- ▶ TV Remote Control Learning
- ▶ Dual Bass Port Design

Compact TV Speaker

## JBL SoundShift™

Works with your TV and wireless mobile device at the same time

### Optical Digital Audio with Dolby® Digital

Connect one cable to your HDTV and experience movie sound the way it is meant to be heard. (optical cable included).

### JBL SoundShift™

Works with your TV and wireless mobile device at the same time to allow you to automatically switch between the sound from your TV and the sound from your phone or tablet.

### Harman Display Surround

Experience virtual surround sound without the additional wires or speakers with Harman Display Surround.

### Wireless Bluetooth Streaming

Wirelessly connects up to 3 smartphones or tablets to the speaker and take turns playing music with surprisingly powerful, room-filling sound.

### JBL Connect

Build your own ecosystem by connecting multiple JBL Connect enabled speakers together to amplify the listening experience.

### TV Remote Control Learning

Keep your setup simple with one remote control: the one you already use for your TV. (JBL mini remote control also included in the box).

### Dual Bass Port Design

Experience home theater sound from an incredibly compact size.
